### DETAILED ACTION

1. This Office Action is in response to an amendment filed 07/20/2006.
2. The Following is an Examiners statement of reasons for allowance: The prior art of record fails to disclose, suggest, or render obvious, *A method of producing printed matter containing a direct reading material and an additional material related to the direct-reading material by an information processing apparatus, the direct-reading material comprising text and pictures, and the additional material comprising text, sound, and images related to the direct-reading material, the method comprising:*
  - converting primary data of the additional material into secondary data in the form of codes for high-density display;*
  - determining the additional material linked with the direct-reading material to allocate, with reference to a link management database storing a link between direct-reading material and additional material, wherein the allocation is carried out based on a total space for the direct-reading material and the additional material;*
  - storing data to be applied to an allocating operation; determining a specific way of allocating the additional material with respect to relevant direct-reading material based on the stored data; and*
  - performing the allocating operation for the direct-reading material and the additional material in accordance with a type space corresponding to the secondary data, wherein the primary data of the additional material converted into the secondary data in the form of codes for high-density display comprise data from which information content is obtained directly without accessing a separate storage location, and wherein*

Art Unit: 2176

*the specific way of allocating the additional material with respect to the relevant direct-reading material is selected from among the following ways of allocating the additional material:*

*allocating at an immediate position of the relevant direct-reading material, allocating at a special space, allocating at a directly designated vacant position, or allocating at a directly designated overlapping position.*

3. It is noted that the Examiner interprets exemplary claim 1 as a whole as including the definitions of direct and additional reading materials as defined in the preamble of Claim 1.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
